Step into another world when you enter the Gift Horse Restaurant in downtown Foley, AL! The moment you enter the doors the beautiful beaded pine envelopes you in another time. Sparkling chandeliers & stained and leaded glass play with the light in the expansive rooms & the soaring ceiling adds to the beauty.

Foley's Founding Fathers built the place in 1912 to hold concerts, dances and cultural events. The building has served many purposes over the years, until Jackie McLeod, a graduate of Auburn in 1963, began renovations in 1982. Now it serves the Community **daily** with it's sumptuous **Traditional Southern Buffet & Lovely Tea Parties (Reservation Only for High Tea!)**, and as a venue for **Weddings, Special Events, Club Meetings and more.**
